

## ***Voice-over/spirit journey***

The voice-over reflects your spirit journey. It talks about your dreams, your actions, your resistance and your will. Complete each sentence below, keeping it short and simple. Write it down, either in English or in your own language.

*Voice over #1: "On my spirit journey I see a future where..."*

---

---

---

---

---

In voice over #1 you go big. You tell us about your dream or hope on behalf of the world.

*Voice over #2: "Don't you know the longing for...?"*

---

---

---

---

---

In voice over #2 you talk to the longing in your audience and make them join your dream.

*Voice over #3: "Together we will..."*

---

---

---

---

---

In voice over #3 you turn your dream into an everyday action. Now it is no longer only a dream. You do something about it.

*Voice over #4: "On our way we will meet resistance from..."*

---

---

---

---

---

In voice over #4 you talk about the resistance that your dream inevitably will meet along the way.

*Voice over #5: "It will make us feel doubt. But on my spirit journey I see a future..."*

---

---

---

---

---

In voice over #5 you repeat your overall dream. The point is that you have to work through the resistance, never give up and keep your eye on the goal.
